

A BREATH

It is a breath
Moments of life
Heart flickers.

Thoughts in time
suspended in
circles of praise,
Worship
of God
Before time
Alpha
The End
Omega.

Worship
changes the soul
challenges
Holy Spirit whispers
centering towards Jesus
Who is he?

Where do you stand
kneel, hang
before his cross?
Where do you hide?
Retreat, ignore, block,
threaten, plead
before his resurrection?

How will you respond
to his love,
call, questions?
