

# CRAZY

**Crazy  
Beautiful day,  
One moment  
Praying for cancer-ridden life,  
the next- music  
heights of worship,  
Another eating food together,  
Another arms around shoulders  
Embracing God  
hiding from God.**

**Church...  
The place  
Of the seeker, proud, real, fake  
Young, old,  
Different races, faces  
A slice of our world  
Same  
And yet indelibly different.**

**How large is our God?**
