Heaven's glory  
to earth's pain,  
love's closeness  
to cross death loneliness,

Bright fullness of spirit  
to greyness and questions,  
Complexity surrounded  
Simplicity discovered

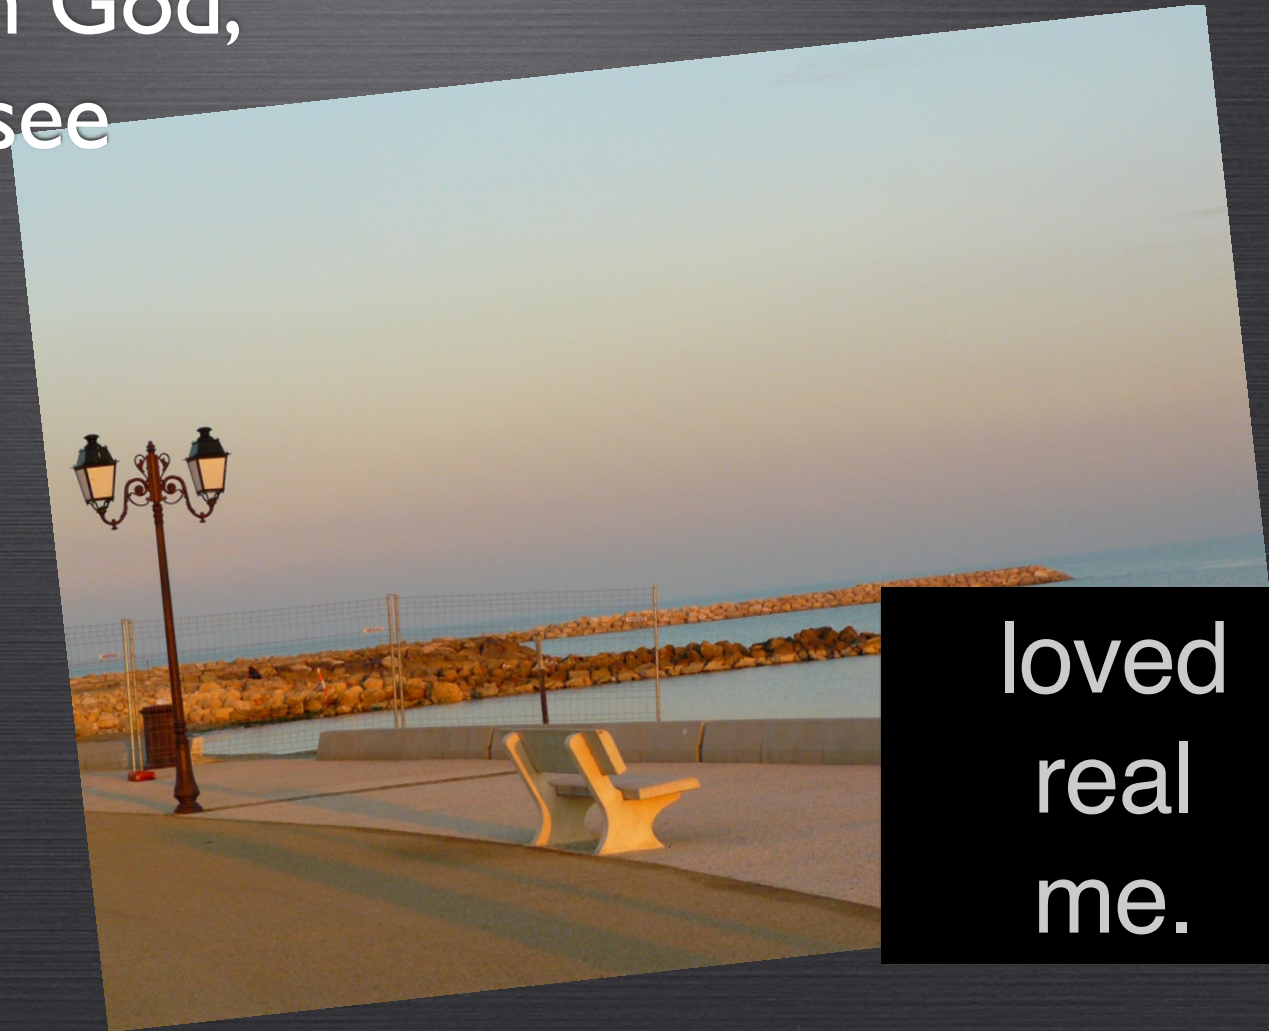

Wonderful paradoxes  
both God and me.

In the extremes  
Gods shadow of humility  
touches my spirit,

my heart captivated in  
a grace  
encounter with God,  
helping me to see  
who I am.

loved  
real  
me.
