

Faith

Faith
Embraces the wanderer,
Seekers and lost
Pained and released.
No dress code
No restrictions.

This world's
Needs, desires,
wants,
Are shadow trades
for this unaccountable
Amazing unknown.

Get up and walk
Walk to his cross
Walk to his arms
Faith
Walk to his light
Walk to his hope
Faith.

Your steps, his steps
Your path, following his destiny.

He knows your doubts
Questions,
Jesus has been before
Lived your dark before
Seen you before.

Take your dreams,
Hopes, laughter,

Live life in God.
Have faith.
