

JESUS SEES

Jesus saw
the leaders of the day
for who they were,
Many - so wrong...
like presidential races,
Claiming faith,
White washed tombs
echoes of life,
Choosing to believe
their own lies
own law
own false reality
their own destiny.

And the crowds gather
cheering on the hate
buying the deception
liking the post
sharing the tweet,
waving the balloons
smiling the deceit,
Lost minds
feeding on emotion,
hurt and pain,
Fraud fiction
burying any truth.

Jesus said,
"Hypocrites,
beautiful on the outside
bones of all
of the dead inside,
I am the truth."

Awake sleepers and see.
