

JUSTICE

Killed in a moments
inaction,
slow response to hurt inflicted..

the bully unchallenged
the weak who we pass by
the laughter of gossip...
Lighten up, get a life,
does it really make a difference?

If tomorrow you were...

Afghan... 3 year old gang- raped
in a country where women fear the daily road

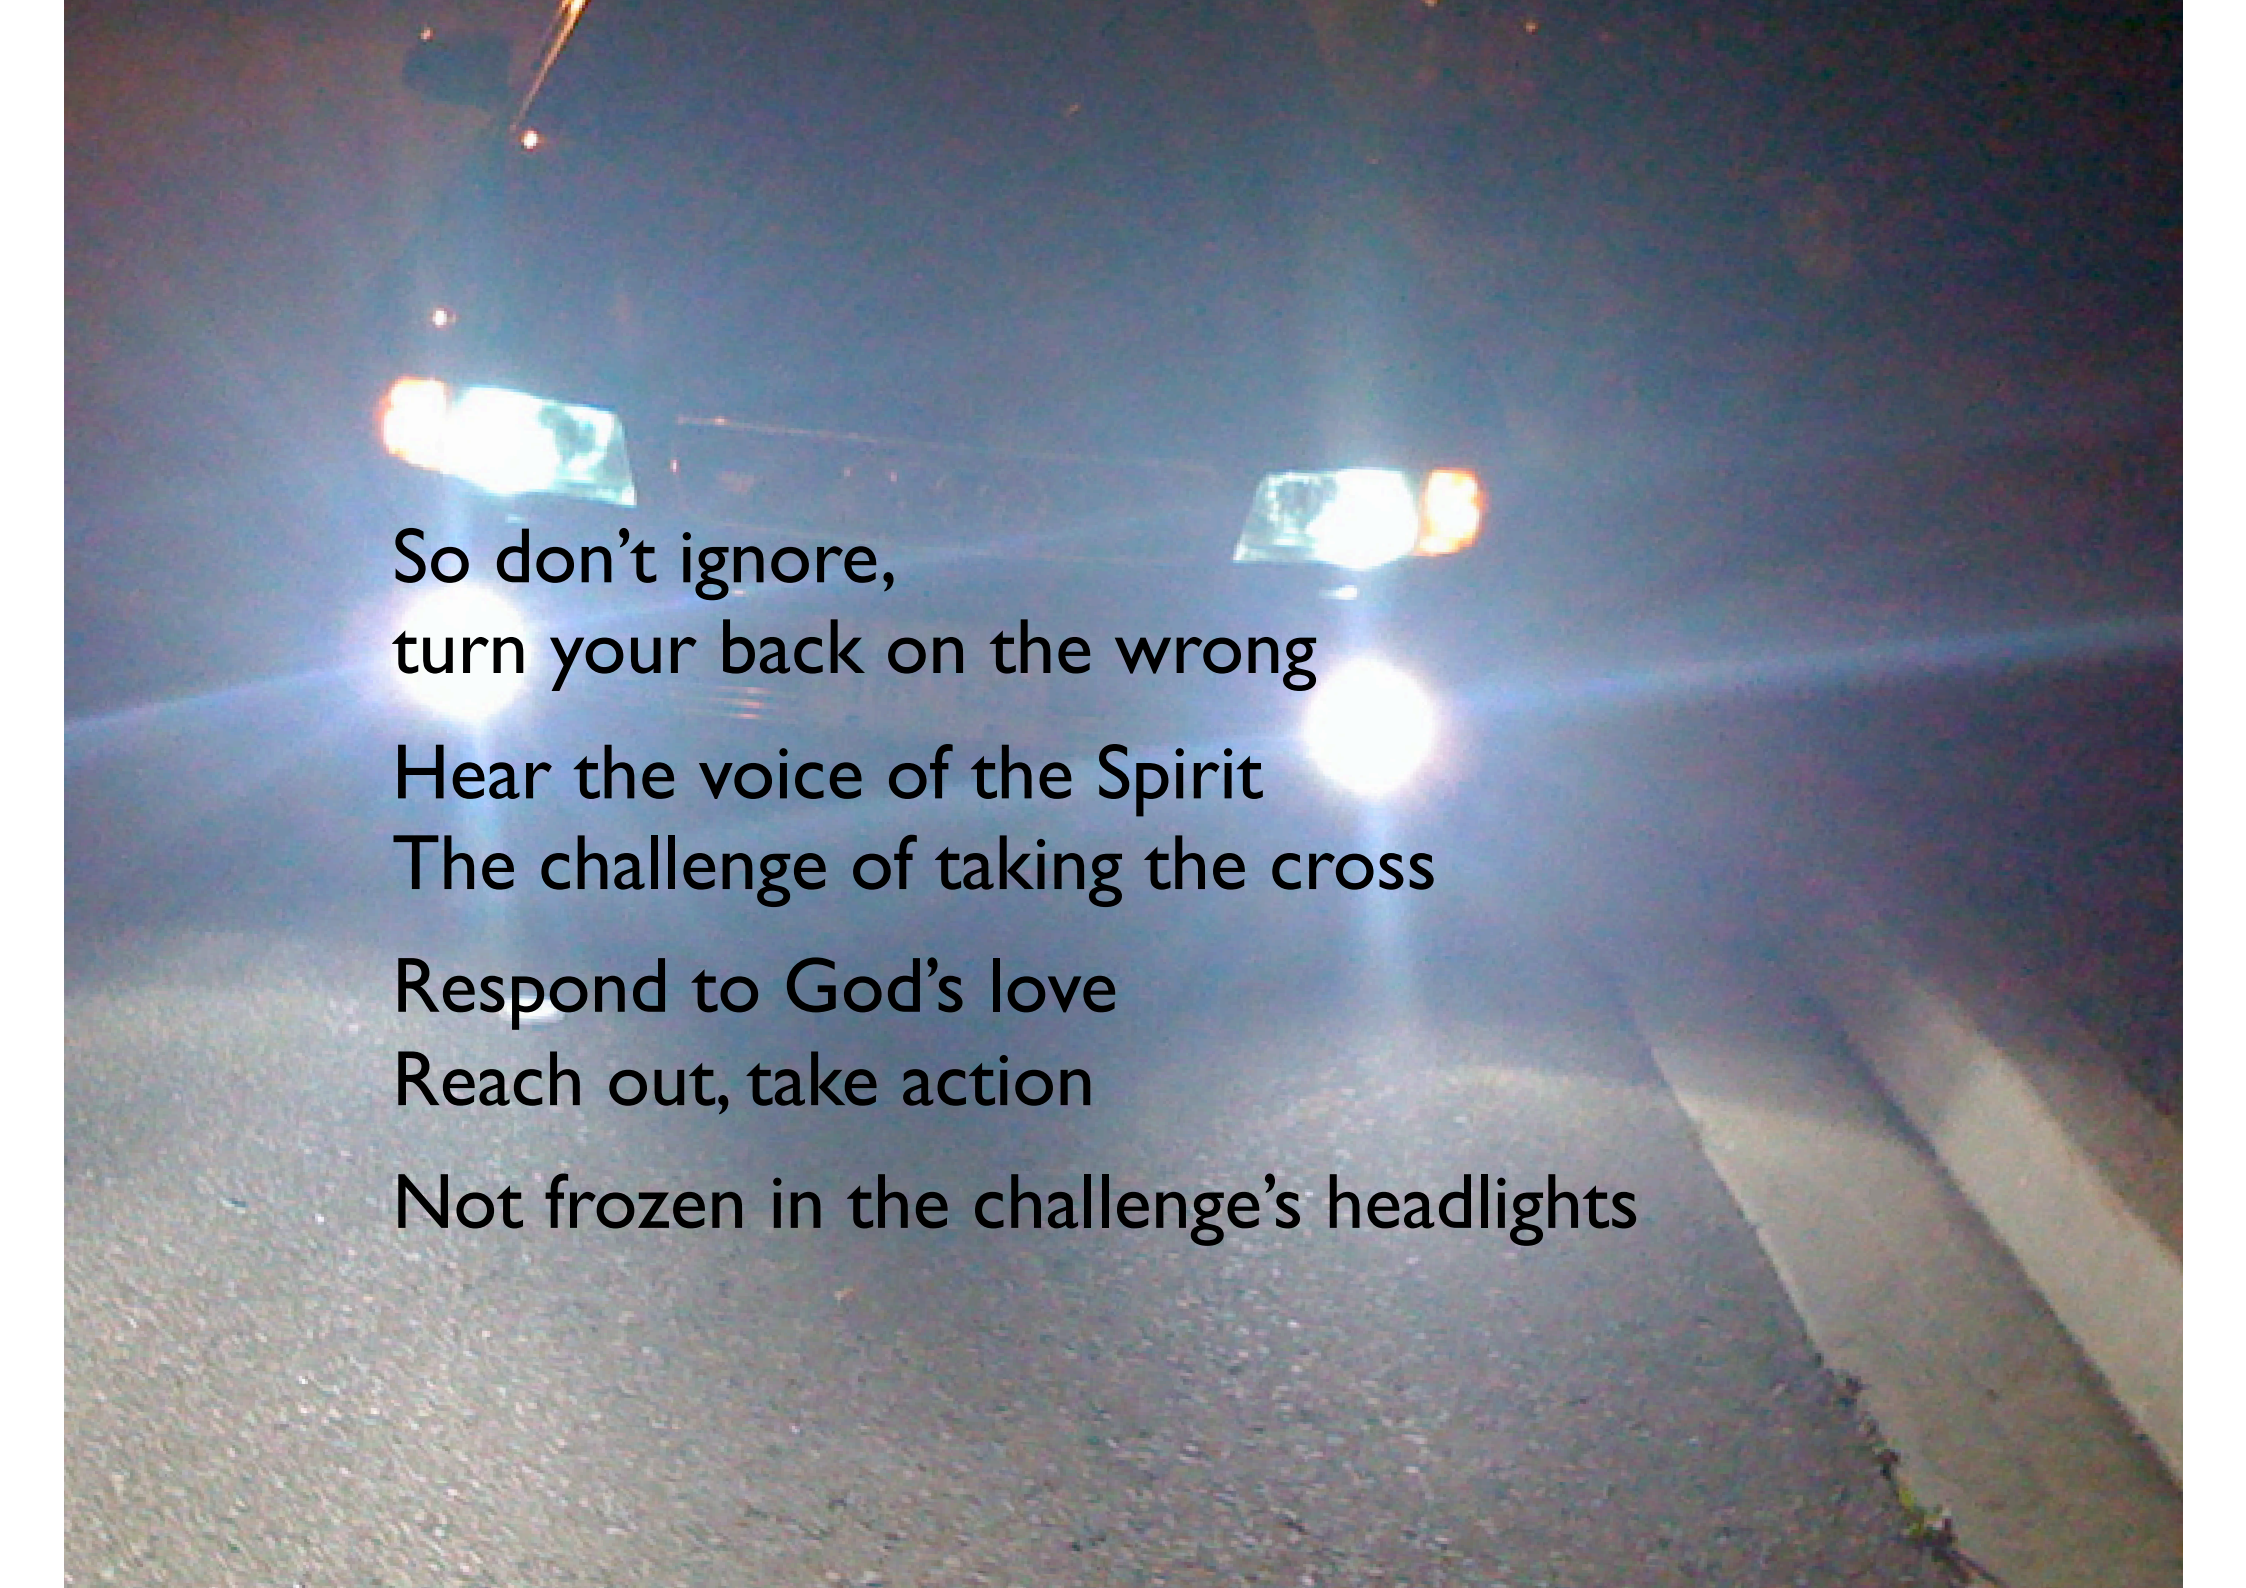

OR Chinese grandmother beaten, taken away
“re-educated” for applying for a legitimate protest
card...

Do you not know what you have?

How precious justice is?

In your country, based on Christian history

A sense of justice strong

A dark road at night with two cars' headlights illuminating the path ahead. The scene is dimly lit, with the primary light sources being the bright, circular beams from the cars' headlights. The road surface is visible in the foreground, and the background is mostly black, suggesting a dark sky or a tunnel. The text is overlaid on the left side of the image.

So don't ignore,
turn your back on the wrong
Hear the voice of the Spirit
The challenge of taking the cross
Respond to God's love
Reach out, take action
Not frozen in the challenge's headlights

But a hedgehog
with tyre deflating prickles!
