

# MILK SPLIT

The Journey from Milk to Meat

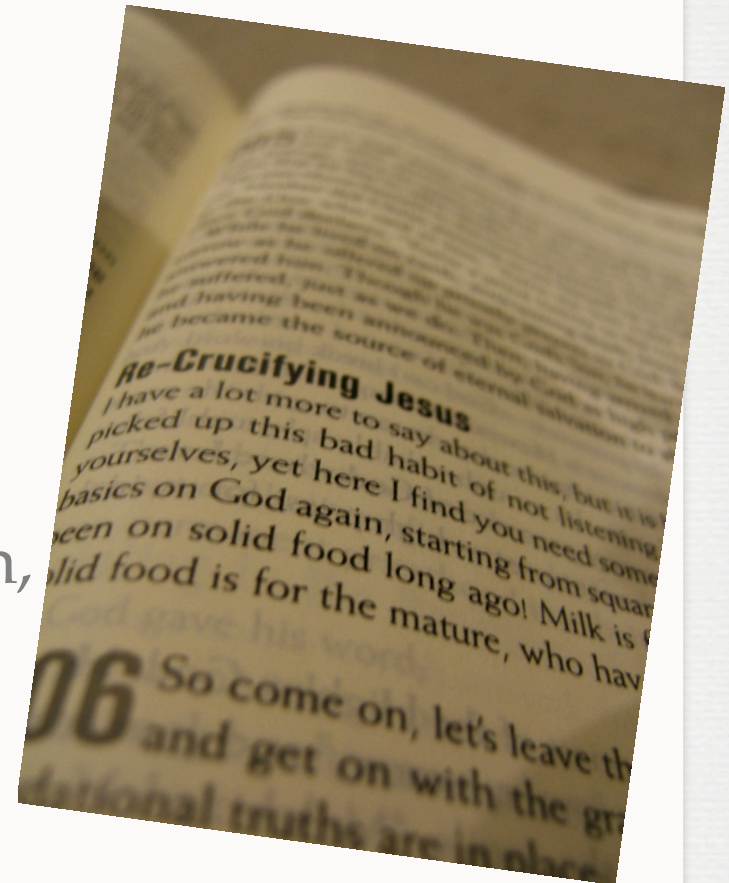

# JUST BORN

Exciting New birth  
closeness to breast,  
milk sustaining,  
love relationship of touch,  
tender words  
Feeding on the tone of voice, words,  
the hugs,  
Not sure how to communicate needs  
Sometimes just crying, unformed sounds,  
Listening to the story, seeing the pictures  
through learning eyes

# MATURING

Milk part of the past,  
Although a glass,  
Every now and then, is good.  
Feeding  
in the Word,  
Open to questions,  
Knowing full reassurance of faith,  
Solid, in honest  
love with God,  
Given in a daily walk.

# MILK DELIVERY

Open the door  
to today's living, your world,  
backpack slung over shoulder  
ready with stored milk cartoons,  
Searching, lead to  
another new birth.
