

Run the Road

**Walking up the Road
Leaving behind,
Threading out the darkness,
Ghost chains,
Footsteps away
from
a life of drowning in
unintended consequences,
Shit stuff,
Not so unintended consequences.**

**Obeying a call,
To change
Embrace the light,
To accept a Saviour,
Calm, hope and fear
centered in me now
as I journey
finding the Way.**

**A Father's heartbeat
Rhythm of the road,
Love's call,
Forgiveness' flow
Freedom's laughter
His welcome hug.**

**Choosing again
In purpose
I. Walk.
I. Run.**
