

# The Painter

The artist  
dot by dot  
paintbrush breathes life,  
imagination captured  
Story told  
unfolding in viewers mind.

This place  
This church,  
dot by dot  
creating over time  
3D art mirroring life,  
Story told  
over time  
in relationships,  
Love connections.

Patina of years  
Layers deepen  
each dot, each brushstroke,  
mirroring reflections,  
glimpses of the image  
of God.

We are God's  
picture,  
individual hues  
Blending, composing.

So jump  
into the paint, the painting  
Enjoy being His creation,  
sing His colours,  
connected to create  
connected to bless  
connected to portray  
experiences of Gods love.
